experiential education

Life coaching

Let your child grow with passion.

Our Vision

To be the most preferred and best service provider of youth development, up-liftment, leadership and life coaching programmes through challenging and life-changing experiential education.

Our Mission

To enable young people to develop their individual potential, and to be equipped with the necessary life skills to cope in a demanding world. This will be achieved through interventions by trained facilitators via experiential activities and in-depth reflections aimed at internalised development, result and behaviours.

GRO offers the following programmes:

TRENDSETTERS – Leadership development programme

This programme is aimed at young people, school leaders, class leaders, student leaders, sport captains and sport teams.

HEROES – Life coaching and skills development programme

This program is aimed at individual growth and development.

FUTURE STARS – Youth development and enhancements programmes

This program is aimed at young people especially previously disadvantaged school groups.

GLADIATORS – Life skill programme

This program is aimed at enhancement of values, obedience, discipline, social interaction, respect, integrity, motivation and self-worth of young people.

PIONEERS – Programme for delinquent youth

This program is specially designed for the juvenile delinquents (troubled youth). Research has identified that one out of every three young people are destructive in one or more ways. This means that they are not directed into a constructive life experience. This program is tailored for their specific needs.

GO GIRLS – Girls only programme

KNIGHTS – Boys only programme

TRANSFORMERS – Programme for grade 7 - 12 learners and 1st year students

This program is specially designed for the individual to prepare him/her for the next phase of their life.

FUNNERS days – Recreational Programmes

This program is aimed at the bonding of new groups, teams, leaders, educators and parents.
